Dear Friend of the Community,

Each year, we reach out to businesses in our communities to support our organization through sponsorship. When considering potential partners, yours naturally came to mind because we share common goals. Safety, skill development, fun, teamwork, positivity, & sportsmanship.

We are seeking a mutually beneficial partnership that will allow us to achieve our goals and promote your business and your commitment to supporting youth sports in our communities.

The Goalie Academy has supported youth hockey since 2016. We are a for-profit organization that operates year-round to help kids play youth hockey locally and in the USA hockey Northern Plains, Rocky Mountain & Pacific Districts.

Over the last year, we were able to provide over \$3,000.00 towards youth camp sponsorships. Continued support from businesses is critical to helping keep costs down so that all athletes can participate in our youth development camps.

### **Sponsorships help us budget for many expenses throughout the year, including:**

- Purchasing equipment and jerseys
- Ice Rink and facility expenses
- Helping to keep sports affordable for families & providing opportunities to low-income families.
- Paying our local businesses for their individual services, whether it be food, or other off-ice training, & safety personal.
- *The goal is to fund scholarships for all participating athletes that attend our camps.*

This year, we are asking for any amount in return for the following sponsorship opportunities:

- Logo on Camp Publications
- Logo and website link recognition on [www.thegoalieacademy.com](http://www.thegoalieacademy.com)
- Logo on Camp Apparel
- Logo on Camp Jersey

You can visit our website [www.thegoalieacademy.com](http://www.thegoalieacademy.com) for contact information and to learn more about our sponsorship packages. Another option is in this packet of information, where you can sign up to be a sponsor. Please fill out the attached form with your business information and donation amount. Once you have completed the form, please send it in.

We genuinely feel that you're a good fit. We see all the good you do for your community and hope for your support. Let's be partners and make our home full of great opportunities for all to learn and develop.

Please don't hesitate to contact me directly if you have questions or if I can help with anything.

We appreciate your support.

Sincerely,  
Aaron T. Kinslow
